**Zion United Church of Christ**

**\*A Just Peace and Open & Affirming Church\***

Vol. XXVII Issue 9 September 2017

**Just Peace**

Just Peace is not a destination, but a path requiring awareness and constant vigilance to resolve existing and developing conflict in ourselves, our families, our communities, our institutions, and our world. This path requires non-violence when possible and even when impossible to engage in love and restraint. Just Peace envisions a renewed, vibrant, diverse, and sustainable world free of violence.

Just Peace is grounded in God's activity in creation; God's covenant patience and provision in the wilderness; in the reconciling activity of Jesus Christ; in the presence of the Holy Spirit; and in the community of reconciliation. Shalom is the vision that pulls all creation toward a time when weapons are made into ploughs and all creatures lie down together without fear; where all have their own vine, fig tree, and dwell secure from want. As Christians, we offer this conviction to the world: **Peace is possible!**

Let there be peace on earth  
 And let it begin with me;  
 Let there be peace on earth,  
 The peace that was meant to be.

With God as our Father  
 Brothers all are we,  
 Let me walk with my brother  
 In perfect harmony.

Let peace begin with me,  
 Let this be the moment now;  
 With every step I take,  
 Let this be my solemn vow

To take each moment and live each moment  
 In peace eternally.  
 Let there be peace on earth  
 And let it begin with me.

### What is a CROP Hunger Walk?

A community-led fundraising event to end hunger  
Global solidarity with the millions who walk miles every day in search of food and water  
An opportunity to support CWS development projects and disaster assistance globally  
Assistance for 1,900 local food banks and soup kitchens in the U.S.

From its birth in 1969, Church World Service sponsored CROP Hunger Walks have grown to include walkers of all ages, faiths and backgrounds in more than 1,000 communities throughout the U.S. The CROP Hunger Walk is America's Hunger Walk.

### Why Walk?

CROP Hunger Walks are interfaith events that build community while raising funds to end hunger in your own community AND also around the world. Everyone is welcome to join! Your participation impacts individuals and families in more than 35 countries. In many developing nations, people can walk up to six miles a day to get food and water. One in nine people worldwide lack access to clean water and a healthy diet. We walk to be in solidarity, bring awareness to these issues and raise the funds for permanent change.

### How will you make a difference?

Funds you raise in a CROP Hunger Walk help global communities flourish.  
\$25 supplies seeds and tools for a community garden to improve nutrition  
\$100 provides 200 chicks for families, as a self-propagating food source  
\$300 drills 10 meters of a shallow borehole well to improve hygiene and sanitation  
\$1,000 builds a water pump for clean drinking water and community training for long-term success

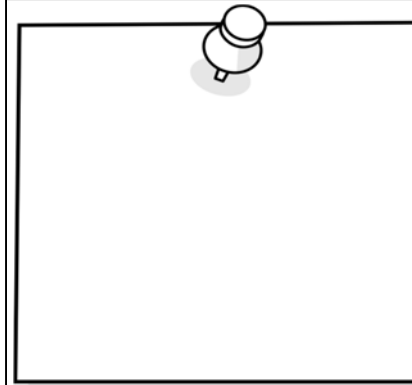

Zion needs walkers and sponsors. Judy Waldo is our recruiter. Please see her for a walker packet and see her to find out who is walking if you can make a contribution.

Three of Zion's members are on the Planning Team for the St. Joseph County CROP Hunger Walk:

Tom Whipkey; Arrangements & Logistics Leader

Jan Raymond; Treasurer

Nancy Philabaum; Coordinator.

### NOTES FROM THE ELDERS

“This is the day the Lord has made let us rejoice and be glad in it.”

I think, life is a journey and we are going through this journey together. I look back at our journey as a church community, and the Lord has given us what we need, when we need it. Most of all, looking back at what the journey has taught us. For me, a couple of things.  
1. With God all things are possible. 2. The Pastor is not the church, the people are.

During this time of transition people have stepped up and taken responsibility, and we thank you.

Your Elder's have worked hard to keep everything going and meeting the needs of the congregation.

If you need anything during this time of transition period please call the office or an Elder and we will help you.

We would like to congratulate Linda Kowatch, Secretary of the Elder's, for being accepted into seminary school. When she is approved by the Northwest Association, she will then be in our care. Keep her and us in your prayers.

Beth Green

Thank you so much for your generous gift towards my schooling! It helps me buy my books and other supplies that I need for school! It is nice to know that my church supports me in my schooling! Thank you again!

Cortney Nellis

Dear Zion Family, thank you so much for the generous scholarship. It is helping me get my books and supplies for the upcoming year. Thank you all for your continued support in my education. It is a joy to know that my Zion family is always behind me. Much Thanks,  
Melanie Nellis

Members and friends of Zion,

Thank you for the generous scholarship. I am very happy and appreciative to receive this scholarship. My education at Eden Theological Seminary is going very good. The scholarship has lightened my financial burden which allows me to focus more on the important aspects of school and learning. Your support means a lot to me.

I miss seeing and worshiping with everyone at Zion. Peace

Jen Einspahr

#### Our Pastoral Candidate, Rev. Peg M. Faulmann

Rev. Peg M. Faulmann was born and raised in Ohio, and her journey with church ministry is extensive. Born and raised Roman Catholic, Peg spent most of her life in music and worship ministry in the Catholic church, as well as some experience with adult and youth ministry, and elementary music education. Peg received a BA in Religious Studies at Lourdes College in Sylvania, Ohio and then a MA in Theology from an extension program out of Loyola University, New Orleans. Her intention was to go into parish administration or diocesan work.

Peg began attending her husband’s church, Park Congregational UCC in Toledo, Ohio and soon after became their music minister. When Peg and Erv moved to Seattle eleven years ago, she realized that she could now pursue her call to ordained ministry and enrolled at the ecumenical School of Theology and Ministry at Seattle University. She obtained an internship at Keystone UCC, serving as Music Director and then as Associate Pastor. Peg also completed a chaplaincy internship at Overlake Hospital in Bellevue, Washington and is also a certified Spiritual Director. In Seattle, Peg worked extensively with homeless women, a large percentage of whom were women of color, and is a “White Ally”. Peg is also a strong advocate for the LGBTQ community, co-founded the Owosso, MI Area Chapter of PFLAG, and led her congregation to an “Open and Affirming” status in the UCC.

Peg values a connection between one’s spirituality and one’s work in the world and believes in doing the inner work necessary to gain the strength to pursue the issues in society that keep us from living in harmony. Peg has a rather eclectic palette of spiritual practices and finds connection to ecumenical and multi-faith efforts.

Peg has been married for 26 years to Ervin L. Faulmann, who holds a doctorate in microbiology. While Peg was doing ministry, she and Erv owned an environmental testing and research laboratory in Toledo, where Erv did the science and Peg did the office work. Erv also holds a post MA in Pastoral Ministry as well as some Clinical Pastoral Education units. He likes to be involved with hospice, food pantries, the homeless community, and his church. Peg and Erv have two adult daughters (from Peg’s previous marriage), a son-in-law, and two grandsons (ages 6 and 3). They all live north of Chicago. Peg’s parents are in assisted living in Perrysburg, Ohio. The Midwest family connection is what brought Peg and Erv back to the area. They miss the atmosphere of Seattle and are excited about moving to South Bend.
